About Us

We are a social group of motorcyclists. Our group has been set up with no political alliance with any other group or organisation. We welcome all riders, pillions, family and friends to join our group. Anyone is welcome to ride with us or attend our rides or social events. The rides are set up in such a way that all riders of any skill level will complete them safely. This includes learner riders up to the most experienced.

IN A NUTSHELL WE JUST WANT TO RIDE!!!

The group meets regularly for monthly rides that can be a short 1/2 day run but mostly they are full day runs based on social riding. We also have weekend get away's and regular cafe rides. Input from our members is important to the group, we listen and act on this and are able to use this information to keep the group interesting and active. If you have an interesting destination, ride, biker friendly cafe or able to offer the group services let us know.

We support The Leukaemia Foundation as our primary charity and do 2 fundraising rides each year for them.

The Tim Hunt Memorial Run The 5 Ferries Run

ALL MONEY RAISED ON THESE RIDES GOES DIRECTLY TO THE LEUKAEMIA FOUNDATION.

Come on - Join up and have some fun!
